

# 159 MULTI-POINT VEHICLE INSPECTION

## WARRANTY

6 MONTH OR, 6,000 MILE LIMITED WARRANTY\*  
\*Deductibles may apply. As a salesperson for complete details.

WE PROVIDE A COMPLETE CARFAX VEHICLE HISTORY REPORT

## 3-DAY EXCHANGE

WE PROVIDE A NO QUESTIONS ASKED EXCHANGE ON EVERY USED VEHICLE WE SELL

(If you are not 100% satisfied for any reason with your purchase you have 3 days and no more than 250 miles to exchange it for something else.)

PLUS, WE WILL BUY YOUR CAR WHETHER YOU BUY OURS OR NOT.  
Our purchase offer is good for 7 days or 300 miles. See a salesperson for complete details.

### Test Drive

- Change Oil
- Change Oil Filter

### Starting Checks

- Check starter and starting system
- Check ease of starting

### Engine Performance/Control Checks

- Check engine performance/smooth acceleration
- Check cruise control operation (including resume)

### Transmission System Checks

- Check automatic transmission for normal operation/shifting
- Check manual transmission for normal operation/shifting
- Check clutch for normal operations (if equipped)
- Check shift lock operation
- Check transfer case for normal operation

### Noise/Vibration Checks

- Check steering for operation and abnormal noise
- Check brakes for operation and abnormal noise
- Check engine for abnormal noise and vibrations
- Check rear differential for abnormal noise
- Check front differential for abnormal noise
- Check suspension for operation and abnormal noise

### Suspension Checks (test drive)

- Inspect front shocks and struts; check operation
- Inspect rear shocks and struts; check operation

### Exterior

#### Exterior Light Checks

- Check headlight low and bright beam
- Check taillight, turn signal, side marker, and license plate lights
- Check brake light operation
- Check hazard light operation
- Check back-up light operation
- Inspect headlight assemblies for cracks/damage
- Inspect taillight, turn signal, and side marker assemblies for cracks/damage

### Body/Exterior Checks

- Inspect door latches and mechanisms
- Lubricate door hinges and latches
- Inspect body for damage, dings, and dents
- Inspect sunroof and check for leaks
- Lubricate sunroof
- Inspect convertible top
- Check windshield and glass for cracks, chips, and pitting
- Inspect windshield wiper blades

- Inspect rear-view mirrors (inside and outside)

### Interior

- Scan vehicle computer for fault codes
- Inspect parking brake adjustment and operation
- Lubricate parking brake

### MIL Light/Dash Light Checks

- Inspect onboard diagnostics system (check engine light)
- Inspect ABS diagnostic system (ABS warning light)
- Inspect SRS diagnostic system (SRS warning light)
- Check dash and interior lights

### Pedal Checks

- Check Brake pedal travel/free-play
- Check clutch adjustment
- Check clutch/start switch

### HVAC Checks

- Check air conditioning operation
- Check blower motor operations (all speeds)
- Check air flow switching control (floor, dash vent, and defroster outlets)
- Inspect cabin air/HEPA filter (if equipped)
- Inspect rear window defroster operation

### Power Accessory Checks

- Check power antenna operation
- Check power locking system operation
- Check power window operation
- Check power seat operation
- Check windshield wiper/washer operation
- Check horn operation

### Restraint/SRS system Checks

- Check seatbelts for normal operation/condition
- Inspect SRS system

### Under Hood

#### Fluid Checks (under hood)

- Check engine coolant level and condition
- Top off coolant
- Check automatic transmission fluid level and condition
- Top off automatic transmission fluid
- Check brake fluid level and condition
- Top off brake fluid
- Check clutch hydraulic fluid level and condition
- Check power steering fluid level and condition
- Top off power steering fluid
- Check windshield washer fluid level and condition
- Top off washer fluid

### Cooling System Checks

- Inspect radiator cap
- Inspect cooling system hoses

- Inspect heater hoses
- Inspect fan hub
- Check electric cooling fan operation
- Check condenser cooling fan operation

### Brake System Checks (under hood)

- Inspect ABS system
- Inspect brake booster

### Drive Belt/Timing Belt Checks

- Inspect accessory drive belts
- Inspect timing belt/balance shaft belts
- Check engine timing chain and gear assembly

### Engine Performance Checks

- Check idle speed
- Inspect vacuum hoses and connections
- Inspect ignition wires (spark plug wires)
- Inspect fuel injection system
- Inspect distributor cap and rotor
- Inspect carburetor and choke
- Inspect fuel hoses, lines, and connections
- Check distributor advance and ignition timing
- Inspect air cleaner element
- Inspect air induction system

### Engine Electrical Checks

- Inspect wiring harness and connections
- Inspect battery terminals/cables
- Top off battery fluid
- Check alternator/charging system

### Emission Control System Checks

- Visually inspect EGR system
- Visually inspect PCV system
- Visually inspect AIR system

### Under Car

#### Fluid Leak Checks

- Check engine for oil leaks
- Check automatic transmission for leaks
- Check automatic transmission cooler hoses for damage or leaks
- Check cooling system for leaks
- Check brake system for leaks
- Check power steering system for leaks
- Check rear differential for leaks
- Check rear axle seals for leaks
- Check front differential for leaks
- Check front axle seals for leaks
- Check clutch hydraulic system for leaks
- Inspect fuel tank, lines, and connections

### Fluid Checks (under car)

- Check manual transmission fluid level and condition
- Top off manual transmission fluid
- Check transfer case fluid level and condition
- Top off transfer case fluid
- Check rear differential fluid level and condition
- Top off rear differential fluid
- Check front differential fluid level and condition

- Top off front differential fluid

### Powertrain Mount Checks

- Inspect automatic transmission mounts for damage
- Inspect manual transmission mounts for damage
- Inspect engine mounts
- Inspect torque mounts

### Driveline and Axle Checks

- Inspect CV joints and boots
- Inspect U-joints and driveline slip-joints

### Wheel Bearing Checks

- Check rear wheel bearings for noise/play
- Check front wheel bearings for noises/play

### Suspension/Steering Checks

- Check ball joints
- Lubricate ball joints
- Check tie-rod ends
- Lubricate tie-rod ends
- Check idler arm
- Check pitman arm
- Check control arm bushings
- Check front sway-bar links and bushings
- Check front strut/strut mounts
- Check steering gear assembly
- Check rear strut/shock mounts
- Check rear suspension bushings
- Check rear sway-bar links and bushings
- Inspect king pins

### Brake System Checks (under car)

- Check front brake lining thickness
- Check rear brake lining thickness
- Inspect brake calipers and wheel cylinders
- Inspect front brake drums and rotors
- Inspect rear brake drums and rotors
- Inspect brake hoses and lines

### Tire/Wheel Checks

- Check tread depth on all tires
- Check tire pressure
- Set tire pressure
- Check tire for damage and wear patterns
- Inspect rims for damage
- Inspect lug nuts and wheel studs
- Inspect hub caps or wheel covers

### General Under Car Checks

- Inspect frame and chassis
- Inspect under car splash shields
- Inspect inner fenders and mud guards

### Exhaust System Checks

- Inspect catalytic converter
- Inspect exhaust system for leaks, damage, and loose parts
- Inspect exhaust system heat shields

### Emission Control System Checks (under car)

- Visually inspect EVAP system

Being the #1 Honda Certified Used Vehicle Dealer in the Northwest, Klein Honda has been built on customer service and family values. With this in mind, our goal is to have 100% customer satisfaction from the moment you arrive at the dealership to the moment you drive home in a vehicle from Klein Honda.

We want you to be so happy with your experience that you come back to us for all your automotive needs and are confident enough to refer us to your friends and family. But in order for this to happen, you must be completely satisfied with your car buying experience. Please let us know how we can be of service.

## THE KLEIN HONDA CERTIFIED USED PLUS VEHICLE PROGRAM

At Klein Honda, our #1 goal is to make sure you buy with confidence. This is why we put every one of our Certified Used Plus Vehicles through a 159 multi-point inspection, provide a standard 6 month/6,000 mile warranty, free CARFAX report, and a 3-day, no questions asked exchange policy.

We call this the Klein Honda Certified Used Vehicle Program, and it's our way of doing everything we can to make sure you have safe and reliable transportation... plus a bit more.
